

The Aims for the delivery of the Physical Education Curriculum at St Anselm's

At St Anselm's Catholic Primary School, we aim to provide our pupils with the opportunities to develop their skills, talents and confidence in many different areas and aspects of life. We therefore provide high quality physical activity during the school day as well as offering an increasing variety of extra-curricular clubs afterschool, run by school staff, A-Z Sports Academy Coaches and a wide range of outside providers. The PE curriculum provides all children with 2 hours of PE every week, delivered through a variety of different sporting activities and skill based learning. Young sports leaders in Key Stage 2 are being developed through training to assist and lead younger KS1 pupils in sports activities and games, helping to promote healthy lifestyles.

Article 29: Education should develop each child's personality and talents to the full.

Article 31: All children have a right to relax and play, and to join in a wider range of activities.
