- The needs of socially disadvantaged pupils are effectively assessed and appropriate provision is made for pupils who belong to vulnerable groups.
- Rigorous tracking and monitoring of pupils' progress identifies the priority for individuals or groups to receive extra provision funded by the pupil premium to help them achieve age related expectations or better.

## **Provision**

- Additional Teaching Assistant support for interventions
- 1:1 tuition by qualified teacher
- Small group teaching by qualified teacher
- Curriculum enrichment activities and visits subsidised
- Year 6 residential educational week subsidised

## **Extra curriculum provision and pastoral support is funded by the Pupil Premium Grant as follows:**

- Additional teaching resources for Literacy and Maths, targeted phonics teaching, Literacy intervention programmes, Fischer Family Trust daily reading, Every Child a Reader programme (ECAR), guided writing, Literacy and Maths booster classes.
- The Behaviour and Learning mentor and a Play Therapist support pupils with social and emotional difficulties.

The effective use of the pupil premium grant at St Anselm's is contributing to very good outcomes for pupils. The school's monitoring and analysis of pupil progress shows that almost all achieve expected progress and the majority achieve expected progress or better. An analysis of school attainment against the national average demonstrates that our FSM pupils achieve above the national average.
