

Sports Premium Funding 2014-2015

In April 2013, the Government announced new funding for Physical Education, (P.E) and Sport.

St Anselm's Primary School Sport Premium Funding for 2014 to 2015 - £9,800

At St Anselm's Primary School, sport and PE is integral to our children's physical and mental health and wellbeing. With that in mind, we have spent our Sports Premium Grant for 2014/15 on the following key areas:

Use of a PE Specialist and Sports Coach

Building on the success of the work of the PE education specialist last academic year, St Anselm's employed a Sports Coach during this academic year to continue supporting teachers to up skill them in areas that they have identified as requiring improvement. The class teachers shadowed/ jointly taught P.E. lessons with the Sports Coach in order to improve the quality of PE provision and to gain the skills to ensure continuity of effective PE lessons in the future.

The introduction of specialised coaching

Qualified coaches have also been employed to work with teachers to deliver sessions in a variety of sports including established and new sports activities, e.g. Cricket in Year 3 and Year 5.

Development of young sports leaders in Key Stage 2

The training of Sports leaders in KS2 to assist and lead younger KS1 pupils in sports games, helping to promote healthy lifestyles.

Membership of School Sports Partnership
