What is the 2041 foundation???

The 2041 foundation was found by polar explorer, environmentalist and public speaker Robert Swan , the first person to walk to both the North and South Pole.

29 years ago a 50 YEAR contract was signed by many of the country's in the world signed this contract sealed Antarctica's fate for 50 years BUT we only have 19 years left.

QUIZ TIME???

Lets see how much you have learnt.

What is the 2041 foundation ???

Who is the head of the 2041 foundation ???

Can you name 4 different animals that live in Antarctica ???

What will you do to help Antarctica? ([Your opinion](#))

What can you do to help?

You can spread awareness by telling people you know maybe even doing fundraisers and donating the money to help the expeditions to Antarctica as they don't just get the money out of the blue to pay the airport to take them to Argentina and then the boat for taking them to Antarctica.

You can also do the little think like turning of the light or using more renewable sources. It all starts today

BECAUSE STARTING FROM TODAY YOU ARE ALL CHAMPIONS OF ANTARCTICA!!!!
