Sunday's Gospel Reflection

"What I say to you in the darkness, speak in the light."

Matthew 10:26-33

After celebrating various feasts over the past few weeks, we have returned to the Sundays of Ordinary Time and our Liturgical colour is green, the colour of hope. It is during these Sundays of the year that we journey with Christ, listening to Him as he travels around preaching and teaching the people. It is in the ordinariness of our daily lives that we seek to follow Christ in the way he asks of each one of us. Although the Gospels were written many centuries ago, they are still relevant to us and speak to us now in 2023. This year we are reading from the Gospel of Matthew.

In class this week...

Year 3 have learnt the story of the good Samaritan. He helped by giving the man water, clothes and he took him to a safe place. The moral of the story is to be kind to others. We then thought about ways that we can be kind to others.

In Year 4, they have been thinking about friendship and honesty.

In Year 5, they have continued their topic of Other Faiths and they have looked at the similarities between our faith and Judaism. We both believe in God, but we worship Him in different ways.

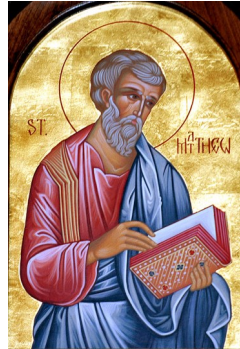

Prayer of the Week

Heavenly Father,

Thank you for the four Gospels and the beautiful truth that Jesus is the Messiah.

Please continue to guide me and show me how I can live by the Gospel values.

Amen.
