

St Anselm's Catholic Primary School

Learning and growing together through prayer, belief and love

Equalities Objectives

Being children of God, we are committed to ensuring equality of opportunity for pupils, staff and parents regardless of age, gender, ethnicity, disability, religious belief, sexual orientation and socio-economic background.

We aim to fulfil our commitment by treating every person with equality of esteem and the respect and dignity.

We strive for each pupil to reach their full learning potential and are committed to closing gaps in attainment for vulnerable individuals. To achieve this, pupil's progress, attainment and barriers to learning are monitored, and addressed with inclusive teaching and targeted support.

We will tackle discrimination by promoting equality, eradicating bullying and stereotypes and creating an environment that promotes respect for all through understanding and compassion.

We will make reasonable adjustments to ensure that the school environment is as accessible as possible. At St Anselm's we believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit our school.
