

Pupil Arts Council

Spring 2 Newsletter 2020-21

All children were given the opportunity to watch Year 6 perform The Passion Play. It was a fantastic and moving performance. The year 6 children said:

"It was a great opportunity to perform this incredible story. You get to fully understand the pain and suffering Jesus went through for us." - Reagan

"It was nice to be able to perform with out friends, especially during the times we are in. It brought us all together. It was amazing to have the opportunity to perform outdoors—it made me feel happy to be in the outdoors with my friends." - Alice

This year is the Year of Joseph. All children created their very own shrine to celebrate the joys within his life. The children used a range of different media and materials to create their fantastic shrines.
