

St Anselm's Catholic Primary School
Impact of the PE and Sport Premium 2019-2020

PE and Sport Premium (PESP) proposed expenditure 2019-2020

In 2012, as part of the Government's legacy to the Olympic and Paralympic Games, it was announced that there would be new funding of £150 million available to schools for physical education (PE) and sport. This funding should be used to improve the quality and breadth of PE and sport provision.

In July 2017 it was announced that schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil and the DfE have confirmed that the investment will remain doubled at £320 million for 2019/20.

From September 2019 to April 2020 St Anselm's Catholic Primary School have 240 eligible pupils and will therefore receive a sports premium of £18,400. This is in addition to the School's existing budget for PE and therefore £19,000 will be spent on improving PE and sports quality and provision at St Anselm's Catholic Primary School.

As the school was placed into lockdown on 20th March 2020 and all sports competitions were cancelled, a total of £12,243.25 was spent in the 2019/20 academic year. The remaining budget of £6,756.75 will be carried forward to the 2020/21 academic year and will be spent in full by 31st March 2021, in line with the guidelines published by the Department for Education.

There are 5 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

St Anselm's Catholic Primary School believes that PE is a unique and vital contributor to a pupil's physical development and well-being. We recognise that pupils have a right to a PE curriculum that promotes positive attitudes towards active and healthy lifestyles. It is therefore our aim to deliver a broad and balanced PE programme in a safe and supportive environment.

This year, our principle aim is to for all children to be active for at least 30 minutes per day at school, excluding PE lessons and break-times. We also want to raise standards in PE and school sports, increasing the participation and opportunities offered to our children.

In summer 2018, St Anselm's Catholic Primary School was awarded a 'Silver Award' by the School Games Mark. This academic year, we have an action plan in place to meet the prerequisites of the 'Gold Award'.

Provision of Swimming at St Anselm's Catholic Primary School

Swimming and water safety has been a requirement of the curriculum since 1994. The aim is for all children to leave primary school with a basic ability to swim competently. Requirements are broken down into three; swimming 25 metres, using a range of strokes, knowing how to self-rescue.

According to Swim England, research in 2016, "89% work towards children being able to swim 25 metres; 63% focus on teaching children how to do strokes and 48% focus on water safety."

There is now a new condition requiring schools to publish how many pupils within their year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.

Meeting National Curriculum Requirements for Swimming and Water Safety	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	44/60 (73%)
What percentage of your current Year 6 cohort use a range of strokes effectively (e.g. front crawl, backstroke and breaststroke)?	45/60 (75%)
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	21/60 (35%)
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Actions in response to this data:

By providing the lessons and teaching the skills outlined above, St Anselm's Catholic Primary School is meeting its obligations under the National Curriculum, according to the DfE. However, we recognise the benefits of being able to swim and aim for all pupils to achieve the standards. Therefore, although we are not required to offer additional lessons if pupils don't achieve the requirements above, we will:

- Offer extra-curricular 'top-up' lessons for the pupils who need them which will be paid for by St Anselm's Catholic Primary School using our Sports Premium Funding;
- Notify the pupils' parents if the above guidelines have not been achieved by their child.

Target & Key indicators	Actions to be taken	Monitoring Arrangements	Time-scales	Lead staff	Impact 2019-20	Cost
Indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school						
For all children to be active for at least 30 minutes per day at school, excluding PE lessons and break times.	<p>CPD training for all staff on how to increase children’s activity levels during class time, plus a coaching session for each class (see key indicator 3).</p> <p>Tracking poster to be displayed in each class, branded as Active 30:30.</p>	<p>All staff to complete a feedback questionnaire to monitor the effectiveness of the sessions.</p>	Autumn 2019	PE Lead	<p>Staff CPD and coaching delivered October 2019. 100% of staff rated this training as high quality or very high quality.</p> <p>In a survey completed in May 2020, 90% of teachers said that children were more active since the introduction of Active 30:30.</p> <p>Parents’ information session held in March 2020.</p>	£1,100
