Online Safety Workshops

On Monday, a very important visitor came to school to teach us all about online safety and the ways we can protect ourselves online. The visitor asked us all how we kept ourselves safe whilst using the internet inside and outside of school and was keen to hear our views.

During the workshop, we looked at the dangers we could all be in when we interact with someone online. This could be in the form of games or on social media apps. We also looked at the information we should and should not be sharing with people online depending on how we know them. We also looked at real life situations with children who were a similar age to us and explored some of the problems they had faced online.

Social Media Age Restrictions

What is the minimum age for account holders on these social media sites and apps?

Under 13

Roblox

PopJam

FaceTime

13+

Twitter

Facebook and Messenger

Viber

WeChat

Monkey

Yubo

Dubsmash

Instagram

TikTok

Skype

Google Hangouts

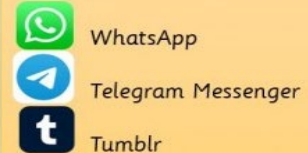

Reddit

Snapchat

Pinterest

Discord

16+

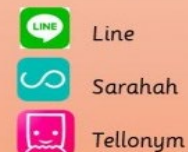

WhatsApp

Telegram Messenger

Tumblr

Challenge When using the school computers, please take a moment to read our ICT Acceptable Use Policy. This is a set of rules we have created on how we expect you all to behave when using the school computers. Mr Pugh and the Digital Leaders will be keeping an eye on this to see who is accepting the rules when they log on.

Written by our Y5 and Y6 Digital Leaders supported by Mr Pugh.
